SINO-SOVIET AID TO UNDERDEVELOPED COUNTRIES ADAPTABLE TO THE COLLECTION  
OF PHYSICAL ENVIRONMENTAL DATA

<u>Recipient</u>	<u>Bloc Country</u>	<u>Date Extended</u>		<u>Project</u>	<u>Extended a/</u>	<u>Obligated</u>	<u>Drawn</u>	<u>Status of Project</u>
		<u>Year</u>	<u>Month</u>					
Afghanistan	USSR	1956	January	Line of credit				
				Maghlu hydroelectric project, Sarobi (\$16.0 million)				S
				Pul-i-Khumri II hydroelectric project (3.6 million)				UC
				Darunta irrigation project, Jalalabad (\$4.8 million)				S
				Salang Pass Road -- phases I-IV (\$27.0 million)				UC
		1958	July	Aerial mapping of northern Afghanistan (exclusive of petroleum survey)	N.A.			S
		1959	May	Kushka-Herat-Kandahar road construction grant (including local costs)	80.0	80.0		S
	USSR	1959		Geological Survey				
Guinea	USSR	1959		Line of credit for economic development				
	Poland	1959		Technological Institute (2,500 students)				
	USSR	1959		Polish Director of Mines appointed				
	Bloc	1959		Geographical Survey of Guinea - proposed				
	Hungary	1959		Exploration of Iron Ore Deposits				
				Kond building proposed

Recipient	Bloc Country	Date Extended		Project	Extended a/	Obligated	Drawn	Status of Project
		Year	Month					
Iraq	USSR	1959	March	Line of credit for economic development				
				Improvement of river navigation				
				Baghdad-Basra railroad				
	USSR			Kirkuk - As Sulaymaniyah railroad				
	Bloc			Oil prospecting; seismic surveys				
				Scholarships for 600 students				
United Arab Republic								
Egypt	East Germany	1955		Electrification projects on Nile Delta	2.9	2.9	2.9	C
		1956		Electrification projects on Nile Delta	3.3	3.3	3.3	C
	USSR	1958	January	Line of credit	175.0	175.0	30.0	
				Geological research and mining				
				5 airfields in mining areas				
				Central mineral research laboratory				
				(\$1.7 million)				
				20 chemical field laboratories (\$0.3 million)				C
				Geological research and survey (\$0.5 million)				C
				Geophysical work (\$0.6 million)				C
				Organization of ilmenite production				C
				(\$1.2 million)				
				Manganese ore production in Elba fields				C
				(\$0.1 million)				
				Geological survey for lead and zinc deposits				C
				(\$0.1 million)				
				Development of Baharia iron ore mines				C
				2 plants for separation of rare earths
